The Powerade Marakele Marathon - 5 March 2022.

You'll be delighted to know that the 13th Marakele Marathon - 4th of the Big Five Series - has been given the go-ahead for March 2022 in the "Year of the Buffalo." As a Comrades qualifier, a half marathon, a 10 km run or a 5 km fun run, there's nothing in the world quite like running through the beautiful Marakele National Park, unfenced and free.

Remember, if you're still on course to complete all five Marathons, you'll receive your commemorative medal in the "Year of the Elephant" in 2023.
