

2022 DAWN 2 DUSK

12 HOUR CIRCUIT RACE and 100 MILER CIRCUIT RACE

30 JULY (DAWN 2 DUSK)
29-30 JULY (100 MILER)

The date and venue have now finally been fixed. It will be 30 July for the Dawn 2 Dusk and 29-30 July for the 100 miler. The venue will be as in 2019, Gerrit Maritz High School in Pretoria North.

After my initial mail to athletes I have been requested to consider the option to (also) continue with the virtual venues of the past two years. I have put a lot of thought into this, taking each request into consideration. I have, however, decided to stage the race only at the main venue. The main reason for this is because it is a celebratory event as it is the 21st Dawn 2 Dusk since 2002. I do believe to do justice to the nature of this event, it need to be run at one venue. I hope you will all understand this.

It means we will return to the format of the race as it was done all the years. There will, however, be a few technical changes regarding the entry procedure. We will also not be using Champion Chip any more for counting the laps.

Let's start with the options you have
