WHY SUPPORT THE IT'S AMAZING! ZT PROGRAM?

In the face of high levels of poverty, gangsterism, sexual abuse and crime, **It's Amazing! ZT** strives to create an alternative society in the battered communities on the Cape Flats, by providing key community support services and offering vital educational programmes that can help children break out of cycles of poverty and despair.

Our programmes are operational in Heideveld, Gugulethu, Hanover Park and Khayelitsha.

It's Amazing! ZT House

Located in Badsberg Close, Heideveld, the It's Amazing! House is a safe place where a caring house mother stands in the gap for children whose parents are stuck in destructive lifestyles, as well as providing support for the community through various outreaches. We provide two meals daily for over 50 children; not only do we fill their tummies, but also give them the love and support that is often lacking in their homes.

Educational programmes

We offer various educational programmes at the various locations which include: Informal daily playgroups, the Babelbekkies, for children aged three to five years, following a home-based learning curriculum that helps them become school ready as well as afterschool programmes which include meals, Bible Kids' Clubs, Arts and Crafts classes, mini libraries and educational toys and puzzles. We also conduct teenage support groups for girls and boys, providing a safe alternative to the lure of gangs, making sure they are accepted and loved.

It's Amazing! ZT is a registered Non-Profit Organisation as well as a Public Benefit Organisation, registered to issue 18A certificates for tax purposes.

Approximately 330 children benefit from the various programmes. Visit www.itsamazing.org.za for more information.
