George Claassen was a teacher and as headmaster of Middelburg High School he ran his first Comrades Marathon in 1960 at the age of 43. He was third overall in a time of 6:34:07 breaking the record for a novice by more than 30 minutes.

His second Comrades Marathon was in 1961 when he finished in first position in a time of 6:07:07. There were 98 finishers in that race. Earlier the same year he also won the Peter Korkie Marathon, one of only a few runners to achieve this double in the same year.

Oom George (as he was affectionately known) is the 2nd oldest Comrades winner after

Wally Hayward. He ran a further eight Comrades Marathons to achieve a total of ten medals. His permanent number is 994. His last Comrades was in 1977 at the age of 60 years. At that age he could still run a sub 3 hour marathon.

George Claassen was a founding member of the Pretoria Marathon Club in 1973 and he was chairman of the club from 1974 to 1985.

The George Claassen half marathon and 10km races are still held every January in his honour.

Oom George passed away on 17 June 2014 at the ripe age of 97.
